The Irish Whiskey Awards

Now in its fourth year, the Irish Whiskey Awards reflect the optimism, innovation and quality of distilling in Ireland. This year saw over 100 products entered ranging from classic whiskeys to some of the new wave of craft gins and vodkas. What is clear is that Ireland is going through a rebirth in craft distilling and it was good to see that the winners came from both well-established and newly-formed companies. Judging is done as impartially as possible with blind tastings being held for our judges who are members of the Celtic Whiskey Club and Irish Whiskey Society. Whiskey judging might sound like fun but it is also hard work and our warmest thanks go out to this year's team of judges. They showed great enthusiasm and focus throughout. This year we changed the awards slightly and invited members of the thriving cocktail bar trade to judge the other spirits. Perhaps even harder work! They did themselves proud and picked out some very worthy winners.

Irish Single Malt (13 Years Old and Over) and Overall Irish Whiskey of the Year

A hugely popular winner amongst our judges. This well-crafted single malt shows how careful cask selection and well-judged maturation can really make a difference. This whiskey is all about balance between the bourbon and sherry barrels that impart so much flavour into the single malt.

Celtic Cask Whiskeys

Our exclusive range of carefully matured single cask whiskeys get better every year. They are usually limited to around 300 bottles per cask and each new release is unique. We carefully select different types of barrels from our wine contacts around the world. Some previous favourites have been aged in Port casks, Madeira, red wine and even sweet Vin Santo wine. Each cask is aged to perfection and we have to sample them regularly before choosing the exact moment of bottling. Due to their limited nature these sell out quite quickly and make an excellent gift for whiskey drinkers and collectors.

Look out for more in this range in 2017!

Dingle Distillery

Dingle have been the trailblazers of the Irish whiskey revival and were the first of the new breed to start making distilling whiskey. Now they have come of age and finally have some whiskey ready for us to drink. Their first release was a single cask of the 2nd barrel to be filled at the distillery, which sold out rapidly. Thankfully they have now produced an ongoing release of their cask strength single malt to enjoy.

Dingle Single Malt

Single Pot Still fans have been rewarded in recent years by some great releases from the Midleton Distillery. It is comprised mostly of a robust, heavy pot still spirit and is predominantly aged in ex-bourbon casks with a little sherry cask ageing.

€63.99

Independent Irish Whiskeys

The Irish whiskey renaissance continues to grow and there are now more whiskey bottlers than we have seen in over forty years. Most of these companies buy their whiskey from existing distilleries but choose to 'finish' those whiskeys in their own specially sourced barrels. Many, such as Glendalough and West Cork, are already maturing their own spirit which will eventually become whiskey. There is a lot of creativity in this side of Ireland's whiskey business, resulting in even more great tasting whiskeys to try!

The company is owned by Beam Suntory who also make some great Japanese and American whiskeys as well as their fantastic contribution from Ireland. Robert Parker 96 points

"This is usually my favorite wine from La Rioja Alta and 2005 is one of its best showings, going back to the quality of the vintages of the 1950s and 60s. The nose is very balsamic with notes of camphor, hints of mint, leather and hung game wrapped around a core of cherries in liqueur. Together it is balanced, subtle, truly elegant and classical. The palate is only medium-bodied but with great concentration of flavors that are very tasty, mineral, almost salty and framed by ultra-fine tannins and smashing balance. A great classic."

100% Tempranillo that's aged for 2 years in American oak casks (the first year in brand new casks, the second in 4 year old casks). It was bottled in June 2011. Ruby red with a slightly garnet rim. On the nose there are interesting savoury notes of roasted meats, Provencal herbs, plus cocoa, liquorice, black cherries, and damsons. Dry and medium bodied with juicy acidity and well-balanced tannins. Nicely focused fruit flavours. More pronounced than on the nose with flavours of red and black cherries, ripe strawberries, damsons and redcurrants. Some smoky oak flavours add some earthiness but the fruit persists to the finish.

Equipo Navazos La Bota de Fino No. 68

75cl / 15%

This new release, of an estimated average age between ten and eleven years. The nose shows very complex and intense aromas, and a remarkable roundness in the palate (the traditional buttery touch of old finos). This is particularly true of the solera, where the flor is almost exhausted, while in the second criadera the yeast is still very lively and active, which provides the spiciness and pungency that are also notable features of this extraordinary wine.

Jancis Robinson 17 points "Very nutty and mature fino. It shows bitter almonds, olive leaf, yeasty character and salty seaweed flavours. Very textured for a fino, displaying a palatable warm alcoholic sensation, very broad and voluminous palate, full body and elegant bitterness at the back palate. Very deep and toasty aftertaste."

€36.99

Equipo Navazos La Bota de Manzanilla No. 60

50cl / 16.5%

A very special wine that takes the astonishing quality of the previous releases (editions 20, 40 and 50) to an amazing level of finesse and chalky minerality. What makes this wine truly unique and gifted with unmatched biological character (intense and steely salty notes on the palate) is that the butts are filled up to "a tocados" level—well above the 5/6 mark that is common in the Sherry district.

Manzanilla En Rama La Guita

37.5cl / 15%

A fantastic Manzanilla that is drawn from wines aged around 4 and 5 years old. Like fino sherry Manzanilla is aged under a protective layer of flor (yeast), the result is a fresh and light wine with flavours of green apples, almonds and some savoury notes of crispy bacon and olives.

Robert Parker 93 points
"I encountered a first bottle in the north of Spain and I was gobsmacked. The character of brine, green olives and mustard seeds is all there in an amplified way. The palate is medium bodied, as 'flor' eats glycerin and the wine is always sharper, always very dry and intense. This is a selection of 'botas' from centenary 'soleras' in their bodegas Misericordia and Carretera de Jerez, averaging 4.5 years of age. The wine is unfined and not stabilized, and only a light filtration is applied to avoid particles floating in the wine. This is their first 'en rama' bottling."

Port

Port is a fortified wine produced exclusively in the Douro Valley in the North of Portugal. Usually served as a sweet red wine, it can also come in dry, semi dry and white varieties. We import a wide range and believe our collection to include some of the finest Ports in the world, with Fine Ruby (young), tawny (oak aged), Late Bottle Vintage and Colheita being just some of the special port styles worth looking out for.

Quinta do Noval 2003 Vintage Port

75cl / 19%

Robert Parker 94Points

2003 saw one of the wettest winters followed by one of the hottest summers in Porto, resulting in high levels of sugar and acidity. In other words: the ideal combination for perfect balance. The vintage stands out for its structure, deep colour and complexity of aromas.

Noval Colheita 1995 Tawny Port

75cl / 21.5%

92 Points – Wine Spectator

A colheita takes its personality from the year in which it was made. In exceptional years certain lots of wine are set aside to spend their lives maturing in casks. 1995 was such a year, and 20 years later it is drinking better than ever.

Vinhos Barbeito Sercial Old Reserve 10 Year Old

75cl / 18.9%

€39.⁹⁹

100% Sercial, aged for 10-14 years. Bronze Medal International Wine Challenge 2010.

Jancis Robinson May 2012, 'Sercial is the lightest and driest and along with great Fino or Manzanilla is one of the most energising, appetising drinks in the world. Sercial and Barbeito seem like a marriage made in heaven and indeed Barbeito 10 Year-Old Sercial tastes heavenly. Peachy pale tawny. Racy with that wonderful purity and acidity yet heady and with massive depth of fruit. Tense, serious, complex. A marvel really. Only just off-dry this would make a fabulous aperitif. I gave it a possibly characteristically stingy 17 points out of 20.'

Vinhos Barbeito Verdelho Old Reserve 10 Year Old

75cl / 18.9%

100% Verdelho, aged for 10-15 years

Silver Medal and Best in Class International Wine & Spirit Competition 2010. Jancis Robinson 17.5/20,

'Pale apricot color. Tastes quite dry for Verdelho. Fine and pure with flavors of apricot and bitter orange. Unbelievably long.'

Vinhos Barbeito Malvasia Old Reserve 10 Year Old

75cl / 18.9%

€39.⁹⁹

Berliner Trophy 2011 - Silver Medal International Wine & Spirits Competition - Silver Medal

100% Malvasia grapes, aged for 10-14 years. This wine was naturally aged in casks and bottled in its purest state. Bright gold color. Floral aromas, ripe citrus, honey and almonds. Lots of depth, full and persistent. Excellent at the end of a meal, with Christmas pudding, foie-gras, chocolate and cheeses.

Ariyanas Naturalmente Dulce 2011

37.5cl / 13%

100% Moscatel grapes this is a naturally sweet and unfortified. The nose is delicate and floral with spiced-accentuated aromas of honeydew, apricot and white flowers. Sweet and expansive. It is elegant and balanced with flavours of orange peel, candied ginger and melon. Finished sweet and long with resonating spiciness and excellent clarity.

Castelnau de Suduirat Sauternes 2010

75cl / 14%

This is the 2nd wine from Chateau Suduirat whose vines border those of the illustrious Chateau d'Yquem. The same stringent grape selection applies to this wine as the Chateau bottling, and the benefits this makes to the wine are obvious. The nose has concentrated marmalade, lemon citrus and floral aromas, whilst the palate is sweet and well balanced with laser-like concentration and focus of fruit.

Tokaji Aszu 5 Puttonyos 2007 Disznoko

50cl / 12%

91 points Robert Parker – *“The 2007 is a blend of 75% Furmint, 15% Zeta and 10% Harslevelu. It has a very pure and clean nose, perhaps one of the most Sauternes-like I have come across, with yellow plum and quince aromas. The palate is clean and fresh on the entry with effervescent satsuma, apricot and quince notes pricked with just the right amount of acidity. This is very feminine, balletic Tokaji – a little ingénue – is a perfect introduction to the delights of aszu wine.”*

Banyuls Cornet & Cie Rimage 2013

75cl / 16%

Sometimes referred to as Port's French cousin, Banyuls is a very interesting fortified wine from close to the Spanish border. Made from 100% Grenache grapes, this rich and powerful wine is one of the world's few great matches with chocolate. Compared to an equivalent tawny port, this is great value for money.

Bukkrum Sole d'Agosto 2012 Marco de Bartoli

50cl / 14%

Rich, sweet but vibrant wine from one of Italy's best producers. The grapes are dried for 2 weeks in the sun making a complex, concentrated Bukkrum. Lots of orange and dried fruit on the palate. Long length of flavour and good body.

Vin Santo D'Altesi 2010 Altesino

37.5cl / 16%
